Now, therefore, in consideration of the mutual promises and agreements herein contained, the parties hereto agree as follows:

All such standards shall be registered with the NJATC, and thereafter submitted to the appropriate Registration Agency.

The JATC shall be responsible for all training. The JATC shall maintain an active list of qualified applicants, as per the selection procedures, in order to provide an adequate number of apprentices to meet the one-to-one ratio. Applicants shall not be selected and indentured when indentured apprentices are available for on the job assignments. If the JATC is unable to provide an eligible employer with an apprentice within ten working days, the JATC shall select and indenture the next available applicant from the active list of ranked applicants.

Section 7:09 Each apprentice shall be required to satisfactorily complete the three-year course of study provided by the NJATC as a minimum requirement for completion of their related classroom training. The JATC may also elect to require additional training options that are provided for in the National Guideline Standards.
